

Did you know that...

CarCareONE shops can now go online to train their staff on everything from how their store credit card programs works to how to use it to grow sales? The comprehensive program is designed for both new hires and as a refresher course for existing staff members.

Topics covered

- How private label credit works
- Benefits to the owner, sales staff, and customers
- How to sell credit
- How to overcome objections
- How to process applications and transactions
- Important phone numbers and other program information

Go to www.carcareONE.net

Choose **Existing Dealer Information** and then select **Training Center**

Training online, at your own pace, it's that easy!
