SERVING THE PROFESSIONAL AUTOMOTIVE INSTALLER

Locations in Great Falls • Fort Benton • Havre • Shelby • Kalispell • Missoula • Anaconda

The Parts Plus Installer Association is a nationwide network of independently-owned repair facilities. Join an Association that is recognized nationwide, and still keep your shop independent name and individuality. The Part Plus Installer Association gives you access to warehouse direct wholesale pricing, shop supplies, a nationwide warranty, and name brand quality parts at warehouse direct wholesale pricing. With your enrollment in the Part Plus Installer Association, you will receive a kit that includes signage, shirts, hats, training videos, tools, a clock, and many more useful items. People trust their vehicles to the Parts Plus Installer Association. Join a winning team!

The Parts Plus Car Care Center program offers a wide variety of programs to assist Service Dealers in marketing their business to their current customers and potential new customers. Programs available include: On-line Diagnostic Services, Consumer Mailing Programs, Electronic Customer Reminder Program, Consumer Credit Card Program, and Endorsed Shop Management Systems.

The Parts Plus Nationwide Warranty is a 12 month/12,000 mile parts and labor warranty on specific service and repair work performed by participating repair facilities. It covers consumers when they are more than 25 miles from the original repair facility and they experience a repair failure. The consumer pays nothing for the warranty-they receive it for free on repairs they have performed. It is not a Vehicle Service Contract or Extended Warranty Program.
