NOVCO

WE KEEP MONTANA ON THE ROAD!

Dear Owner/Operator:

Novco is a Montana owned and operated business committed to serving the automotive needs of Montana. We have a statewide reputation for providing excellence in service and product, while maintaining prices that are more than comparable to those offered by our out-of-state owned rivals. Taking care of Montanan's is our top priority because Montanan's have been taking care of us since 1968.

In serving your needs, our warehouse offers one of the largest selections of automotive parts, paints, tools and equipment in Montana, reflecting the wide range of needs in our large and varied state. We stock over 100 different product lines and these include the best of the major manufacturers, as well as the best of the private labels. While we can't promise perfection, we never rest until you, our customer, is satisfied.

We still believe the best way to do business is to take care of our customers and friends with a smile and a handshake. So the next time you have a need for an automotive part, paint, tools or equipment, regardless whether small or large, please give us a try. If you do not already have an account with us, please complete the enclosed credit application so that we can more efficiently serve your needs.

Thanks for your support, and we look forward to counting you among our friends and customers.

Sincerely,

David E. Paris

Novco W.D.
