Local FFA students collected box tops from Wix oil and air filters all year with the help of H-O Auto Parts and their customers. Every year, the Wix Corporation donates 25 cents per box top. This year, because the number of box tops totalled 4,522, the students earned \$1,130.50. The local FFA also won a state bonus of \$1,000. Above are David Noris, H-O owner, shaking FFA student B.J. Brown's hand, Bob Patterson and Don Johannsen, H-O employees, and Regional Wix rep. Tom Murphy, who came to present the bonus check.
