

# FFA earns big bucks with box tops

WIX district sales manager Tom Murphy presents \$1528.25 to the Shelby High School FFA Chapter June 17. The money was raised through a box top promotion sponsored locally by H-O Motor Supply. The group received 25 cents for each WIX filter box top collected. The check included a \$1000 bonus for collecting the most box tops in the region. Front row (l. to r.) FFA members Shane Brown, Nick Welker and Austin Burns. Back row: H-O Motor Supply manager Tom Mills, Murphy, FFA member Roy Benjamin, FFA member Jayson Gray and FFA faculty adviser Ula Omdahl (holding sons Ulan and Quintin). The promotion is ongoing, so you can drop off tops at H-O.

## Chinook FFA gets \$2,000 in Awards

The Chinook FFA Chapter recently received \$2,000 in award money from the WIX Division of the DANA Corporation. They were recognized as one of four chapters in the nation that turned in the most WIX Filter Box Tops per member as well as the chapter with the highest percentage increase over last year's fundraiser.

Members of the Chinook FFA as well as community supporters collect and save box tops from WIX Filters. When sent in, WIX donates 25 cents per box top to the FFA Chapter. This year the Chinook FFA and their supporters sent in 2839 box tops.

Money earned by the members allows them to travel to many activities within the state as well as nationally. These awards will help assist members attending this year's National FFA Convention in Louisville, KY in October.

The members of the Chinook FFA would like to thank Farmers Union in Chinook and H.O. Parts Plus in Havre for collecting box tops. Their support is truly appreciated.

If you use WIX Filters and would like to help the Chinook FFA, just save the top of the box and call 357-2662 and we will be happy to come and pick them up.
